Thank you for your online message on behalf of the Ontario Association for the Supervision of Physical and Health Education regarding the health and physical education curriculum. I appreciate your taking the time to share your views.

I want to assure you that the well-being of our students is of great importance to my colleagues in the Ontario government and to me. We believe that, by giving students the opportunity to cultivate a healthy and active lifestyle, we are helping to ensure their long-term success, and the long-term success of our province. I note that you have sent a copy of your correspondence to my colleague the Honourable Laurel Broten, Minister of Education. I've asked that either the minister or a ministry staff member respond to you directly.

We will continue to work with educators, school boards, municipal governments, community members and parents to strengthen our education system — and deliver the highest quality education for our children. Thank you again for contacting me. Please accept my best wishes.

Dalton McGuinty Premier of Ontario

c: The Honourable Laurel Broten
