The Educator Voice for HPE

OASPHE – our mandate

The Educator Voice for HPE

- ❑ To lobby the appropriate provincial ministries, related organizations, and the community at large for quality Health and Physical Education
- ❑ To advocate for the development and delivery of quality Health and Physical Education curriculum
- ❑ To provide support and leadership for Health and Physical Education leaders in the classroom, at the school level and system level.

OASPHE

KEY PRIORITIES FOR ADVOCACY – 2013-2014:

- Building communication networks for HPE Educators and all school boards
- Advocating for the full release of 2010 revised HPE curriculum and the release of the secondary revised HPE curriculum.
- Partnering to support the provision of quality HPE curriculum/ DPA resources and professional learning grade, 1 – 12.
- Supporting the Curriculum Implementation and advocating for funding and resources to provide quality professional learning for educators
- Advocating for quality Health and Physical Education as the foundation of a Healthy School Community

OASPHE – ongoing advocacy:

- ❑ Supporting the revision and implementation of the Ontario Safety Guidelines
- ❑ Ongoing advocacy for:
HPE specialists in elementary schools

the OASPHE Fitness Assessment key messages to support the development of physical literacy

increased time for HPE instruction in Pre-Service programs;
minimum credit requirements for taking an HPE AQ course.
