

OELC BURSARY FUND

Thank you for your interest in sending a student to one of our OELC leadership courses. As a not-for-profit organization serving youth from Ontario's schools, we are committed to reaching out to all of the diverse communities in the province and supporting the participation of students who might not be in a position to attend without financial assistance. As such, any financial support is targeted to those students who **truly are in need** and/or schools who are in priority neighbourhoods. Thank you for respecting that we have limited bursary funds. We trust that you will approach your request knowing that we want to reach students and schools who are most in need of the help. **Please note:** OELC only accepts funding applications from schools **not** from individual families.

PROCESS

Please fill in the form below and email or fax it to us at OELC.

If you are requesting one of the lesser amounts we will try to respond within a week. Larger funding requests will be decided on at the end of every month. If the student receives a bursary, this amount gets deducted from the total of the program fee. **Please note:** Uniform costs are not eligible for bursaries.
